Slimline 7 Optical

Profile 1m 30D AL ACC

Mechanical accessories

Slimline 7 Optical is an aluminium profile equipped with an optical 30° diffuser for LED strips with a maximum width of 12 mm. Ideal for applications where light needs to be targeted or restricted to achieve a sophisticated appearance. Surface mounting on a ceiling or wall. Brackets and end pieces with or without a wire opening are available as accessories. An extension piece is also available for easier installation. Read more about the other Slimline products.
