Slimline 15 Wide

Profile 2m AL PCC Wide

Mechanical accessories

Slimline 15 Wide is an aluminium profile with a clean-lined design. Surface mounting on a ceiling, on a wall, or beneath worktops. A mounting bracket and end pieces with or without wire opening are available as accessories. The profile can be used with all Airam's 12 V and 24 V LED strips and with connector ranges compatible with them. The profile has a high structure, which diffuses the LED strip's sharp light, making it ideal for applications where its surface remains visible.

Slimline 15 Wide clear 2m profile. Profile aluminium, polycarbonate diffuser. Surface mounting.

Stocked: No
